About Us

We are a **Herbal & Nutraceutical Company** involved in the manufacturing of various formulations at our State of the Art Manufacturing facility located at **Sara Industrial Estate , Selaqui, Dehradun (Uttarakhand) , India** . We have manufacturing facility for Tablets , Capsules , Powder (Bulk & Sachets) , Liquid Syrups , Ointments , Herbal Cosmetics and Oil etc.

The plant is designed as per the **GMP** and **WHO** guidelines and employs world-class analytical instruments. Our staff is technically skilled and thoroughly qualified to manage the production and maintenance of the manufacturing unit.

Infrastructure

The company is spread over 50000 square feet with 5000 square feet of area devoted solely to the quality control (QC) laboratory. The administration area is also spread across 5000 square feet and is used for various administrative purposes including Accounting, Marketing, Human Resource team and the Information Technology unit.

Our storage space is spread across 30000 square feet and houses the raw materials and the finished goods separately. Logistics Department maintains loading and unloading of heavy trucks and also has an assigned space in the unit.

Facility

Our plant strictly adheres to the cGMP (Goods Manufacturing Practices) rules and regulations. We employ the most advanced facilities to manufacture Herbal and Nutraceutical Products in the form of the following:

Solid Dosages like Tablets,
Capsules, Granules and Powders etc

Liquid Dosages like Syrups

Creams, Ointments, Gels and Lotion

Pastes

Business Model

The manufacturing unit produces under different privatized labels for Herbal and Nutraceutical Products in the form of Tablets, Capsules, Syrups, Oils and Ointments. We accommodate and provide different outsourcing models, designed solely on the need of our clients.
