”

Health Care  
Begins With  
US

## Director's Profile

**MR. SWARAN SINGH** (founder of national group ) began his journey in 1982 with the collection of ayurvedic herbs in the wilderness of himalayan range . Within two years of hardwork he had the contracts from forest departments all over the himalayan range for more than 1000 Species of herbs .

This not only provided him the practical knowledge of almost every important plant but also gave him the rich experience of the trade benefits of indian ayurvedic raw herbs. Today after 38 years he owns one of the most diversified herbal company in the country .

### **MR. AKASH SINGH**

Inspired by his father , Akash caught interest in the Ayurvedic industry at a very early age of 17. While Doing his B.com(Hons)from NMIS Mumbai and MBA From SP Jain Mumbai, Akash was able to market his Products all around the country.

In 2016 with the Incorporation of national agronic exports Corporation, akash was able to take the national Group to a global level with the export of herbs And spices . Today national group is exporting to Various countries and growing each day.
